Program Description

This is a six-month foundation program aimed at developing the skills required to work with today's children. This program emphasizes theoretical and practical skills in gaining knowledge and develop competencies in such areas as child development, interpersonal relations, curriculum content, family studies, and program management. You will learn valuable skills, helpful for achieving your professional and personal goals; ultimately advancing your career.

What can I do with a Early Learning and Childcare Certificate?

Graduates of this program will have acquired a platform to pursue further academic endeavors and the skills to excel in job positions such as child development worker, early childhood education, special and Inclusive education, leadership In early learning and childcare programs, behavioral/special-needs worker, and school/pre-kindergarten assistants.

At Canadian Imperial College we are in the business of *opening possibilities* and creating opportunities.
